Tenant shall also sign any additional forms required to validate the security interest in government program payments.

Tenant shall not sell such crops unless Landlord agrees otherwise. Tenant shall notify Landlord of Tenant's intention to sell crop at least three (3) business days prior to sale of the crop (with business days being described as Monday through Friday, except any Iowa or federal holidays). Tenant shall pay the full rent for the crop year in which the crop is produced, whether due or not, at the time of sale pursuant to Landlord's consent to release Landlord's security interests. Upon payment in full Landlord shall release Landlord's lien on the crop produced in that crop year on the premises. Tenant shall sign and deliver to Landlord a list of potential buyers of the crops upon which Landlord has been granted a security interest in this lease. Unless Landlord otherwise consents, Tenant will not sell these crops to a buyer who is not on the potential list of buyers unless Tenant pays the full rent due for the crop year to the Landlord at or prior to the date of sale. Landlord may give notice to the potential buyers of the existence of this security interest.

Tenant agrees to furnish, at Tenant's cost, all labor, equipment and application for all fertilizer, lime, trace minerals and chemicals.

5. **PROPER HUSBANDRY; HARVESTING OF CROPS; CARE OF SOIL, TREES, SHRUBS AND GRASS.** Tenant shall farm the Real Estate in a manner consistent with good husbandry, seek to obtain the best crop production that the soil and crop season will permit, properly care for all growing crops in a manner consistent with good husbandry, and harvest all crops on a timely basis. Tenant shall timely control all weeds, including noxious weeds, weeds in the fence rows, along driveways and around buildings throughout the premises. Tenant shall comply with all terms of any Natural Resource and Conservation Service (NRCS) conservation plan and any other required environmental plans for the real estate. Tenant shall investigate and report all broken or inoperative tile lines to Landlord. Repairs and maintenance of tile will be paid for by: Tenant. Upon request from the Landlord, Tenant shall by August 15 of each lease year provide to the Landlord a written listing showing all crops planted, including the acres of each crop planted, fertilizers, herbicides and insecticides applied showing the place of application, the name and address of the applicator, the type of application and the quantity of such items applied on the lease premises during such year.

Tenant shall distribute upon the poorest tillable soil on the Real Estate, unless directed otherwise by Landlord, all of the manure and compost from the farming operation suitable to be used. Tenant may take any part of the aboveground part of a plant associated with a crop, at the time of harvest or after the harvest, until the farm tenancy terminates. Tenant may use these materials upon the Real Estate for grazing livestock managed by Tenant but shall protect the real estate and all trees, vines, and shrubbery from injury by Tenant's cropping operations or livestock.

Tenant shall maintain accurate yield records for the real estate, and upon request, during or after lease term, shall disclose to Landlord, all yield base information required for participation in government programs.

6. **ENVIRONMENTAL.**

a. Landlord. To the best of Landlord's knowledge:

Neither Landlord nor Landlord's former or present tenants are subject to any investigation concerning the premises by any governmental authority under any applicable federal, state, or local codes, rules, and regulations pertaining to air and water quality, the handling, transportation, storage, treatment, usage, or disposal of toxic or hazardous substances, air

emissions, other environmental matters, and all zoning and other land use matters.

- ii. Any handling, transportation, storage, treatment, or use of toxic or hazardous substances that has occurred on the premises has been in compliance with all applicable federal, state, and local codes, rules, and regulations.
- iii. No leak, spill release, discharge, emission, or disposal of toxic or hazardous substances has occurred on the premises.

Landlord shall assume liability and shall indemnify and hold Tenant harmless against any liability or expense arising from any condition which existed, whether known or unknown, at the time of execution of the lease which is not a result of actions of the Tenant or which arises after date of execution but which is not a result of actions of the Tenant.

Landlord shall disclose in writing to Tenant the existence of any known wells, underground storage tanks, hazardous waste sites, and solid waste disposal sites. Disclosure may be provided by a properly completed groundwater hazard statement to be supplemented if changes occur.

- b. Tenant. After termination, Tenant shall remain liable for violations which occurred during the term of this Lease.

7. **TERMINATION OF LEASE.** This Lease shall automatically renew upon expiration from year-to-year, upon the same terms and conditions unless either party gives due and timely written notice to the other of an election not to renew this Lease. If renewed, the tenancy shall terminate on March 1 of the year following, provided that the tenancy shall not continue because of an absence of notice in the event there is a default in the performance of this Lease. All notices of termination of this Lease shall be as provided by law.
8. **POSSESSION AND CONDITION AT END OF TERM.** At the termination of this Lease, Tenant will relinquish possession of the Real Estate to the Landlord. If Tenant fails to do so Tenant agrees to pay Landlord \$\_\_\_\_\_ per day, as liquidated damages until possession is delivered to Landlord. Landlord may enter upon the Real Estate at any reasonable time for the purpose of viewing or seeding or making repairs, or for other reasonable purposes.
